Rob Wright's tip of the day

Boys Of Wexford (2.50 Fontwell Park)

This gelding produced a career-best effort when winning on his only previous visit to this track in November and he is fancied to stage a repeat.

He was able to dominate from the start over this course and distance and stayed on strongly when challenged in the closing stages to win in good style. That form has worked out well and he was far from disgraced when third at Hereford on his only subsequent start.

Back under conditions that suit him well, Boys Of Wexford remains fairly handicapped and is taken to regain the winning thread.
