# ROB WRIGHT'S TIP OF THE DAY

### Hyland (4.30 Warwick)

This gelding did plenty wrong when fourth at Taunton on his debut over hurdles, pulling too hard and not jumping fluently.

However, he appeared to have learnt from that initial experience when a staying-on third at Doncaster last time, producing a much improved effort.

That race is proving strong form, with the first, second and sixth all winning on their next starts. Hyland is bred to appreciate this two-furlong longer trip and he can get off the mark from what looks a lenient handicap mark.
